

Fuse Additional Terms of Use

Updated June 16, 2016.

Your use of Fuse is subject to these additional terms, which supplement and are incorporated into the Adobe.com Terms of Use (collectively the "Terms") located at <http://www.adobe.com/legal/terms.html>. Capitalized terms not defined here have the same meaning as defined in the Terms.

1. Additional Definitions:

1.1 Animation Data means 1) animation files in BVH, FBX, OBJ or Collada formats containing data owned by or licensed to Adobe; and 2) Fuse 3D animation models.

1.2 End Use means the derivative application or product created by you, into which the Animation Data, or derivations thereof, is embedded, for your use or your customer's use.

1.3 User Characters means the 3D characters created by you or provided by you using 3rd party software.

2. License Grant.

Subject to your compliance with the Terms, Adobe grants you a personal, non-exclusive, non-sublicensable and non-transferable license to use the Animation Data to create an End Use. You may reproduce and distribute Animation Data only in connection with the End Use. You may modify the Animation Data prior to embedding such Animation Data in the End Use. Redistribution, republication or commercialization of Animation Data separate from or outside of the End Use is strictly prohibited.

3. Restrictions.

Except as expressly granted in Section 2 (License Grant), you cannot (i) modify, reverse engineer, copy, reproduce, republish, upload, or (ii) rent, lease, sell, transmit, sublicense or otherwise distribute the Animation Data.

4. Proprietary Rights.

Other than the rights granted herein, Adobe retains all right, title and interest in and to the Animation Data. Except as expressly granted in Section 2 (License Grant), you have 1) no rights to modify or make derivative works of the Animation Data, and 2) no license, right or interest in any Adobe patent, trademark, copyright, trade name or service mark is granted hereunder. You agree not to export the Animation Data in violation of U.N. embargoes or U.S. laws and regulations.

5. User Characters.

You may use and modify User Characters in connection with the Services and the Animation Data.
