### **Contributions**

Welcome and thank you for your participation in, and contributions to, the Adobe Translator project. The Adobe Translator application allows you to provide Adobe with translations of text strings, software strings and phrases in one or more languages that you are fluent in, and also to provide comments, suggestions, ideas, feedback and other information ("Contributions") in connection with the Adobe Translator project. The Adobe Translator project seeks to benefit the Adobe user community by providing interfaces to Adobe products and information on Adobe and its products in multiple languages.

### **License**

You acknowledge that your participation in the Adobe Translator project is completely voluntary and that you will not be compensated (monetarily or otherwise) for your participation or your Contributions. In consideration of Adobe's allowing you to participate in its Adobe Translator project and receive the benefits of the Adobe user community of which you are a member, you acknowledge and agree that any Contributions you provide to Adobe will be owned by Adobe. Accordingly, you irrevocably assign to Adobe all right, title and interest in and to all Contributions, including all intellectual property rights therein, and Adobe is entitled to the unrestricted use and dissemination of your Contributions for any purpose, commercial or otherwise, without acknowledgement, consent or any compensation to you whatsoever. To the extent that the foregoing assignment is or becomes invalid or unenforceable to any degree or for any reason, you grant Adobe an irrevocable, perpetual, exclusive, fully paid up, royalty free, worldwide right and license, with the right to sublicense through multiple tiers, to use, reproduce, display, perform, create derivative works of, distribute and otherwise exploit your Contributions in any manner whatsoever. Adobe makes no guarantee or representation that your Contributions will be used and you acknowledge and agree that nothing in these Additional Terms of Use or in your voluntary participation or submission of Contributions creates any employment relationship between you and Adobe.

## **Privacy**

When you apply to join the Adobe Translator program, Adobe may ask you to provide certain personal information (as well as certain non-personal information that may be linked to your personal information) about yourself such as your name, address, country of residence, email address, language(s) you are fluent in, your screen name or user name, and any other information Adobe needs in order to operate the Adobe Translator program. If you do not wish to provide this information, then you should not join the program.

In addition to the terms of our Privacy Policy, you will have an opportunity to choose to participate in a "leader board" which is accessed through the Adobe Translator application and used to publicly spotlight the top translators in our Adobe Translator community. If you wish to delete your personal information, you must terminate your participation in the Adobe Translation program. You may do so by visiting the link provided within the application.
