Reader Extended Documents on External Website – Policy Statement

IMPORTANT NOTICE: This information is provided for general information purposes only and is not legal advice. Adobe may change this policy at any time without notice. Additionally, your license terms may differ. Please review your specific Adobe agreement for terms that apply to your use of the software (“Product License Agreement”).

Discussion

Reader Extended Documents, both fillable and savable, are found on Customer’s external website

Licensing Policy

According to the EULA, Section 15.12.3 provides:

“15.12.3. For any unique Extended Document, you may only either (a) Deploy such Extended Document to an unlimited number of unique recipients but shall not extract information from more than five hundred (500) unique instances of such Extended Document or any hardcopy representation of such Extended Document containing filled form fields; or (b) Deploy such extended Document to no more than five hundred (500) unique recipients without limits on the number of times you may extract information from such Extended Document returned to you filled-in by such Recipients. Notwithstanding anything herein to the contrary, obtaining additional licenses to use Acrobat Pro or Acrobat Pro Extended shall no increase the foregoing limits (that is, the foregoing limits are the aggregate total limits regardless of how many additional licenses to use Acrobat Pro or Acrobat Pro Extended you may have obtained).

Application

Adobe Acrobat Standard, Pro or Acrobat Pro Extended is used to create reader extended documents.

Interpretation

- An Acrobat license is sufficient if Customer chooses to send out an unlimited number of reader enabled PDFs AND does not extract information from more than 500 unique instances of the filled form, including hardcopy or electronic submitted forms. If Customer does extract information from more than 500 unique instances, Customer must acquire, install and use appropriate LiveCycle Reader Extension Server licenses.
- An Acrobat license is sufficient if Customer chooses to send out reader enabled PDFs to no more than 500 unique recipients an unlimited number of times.
