

1. **Insights.** Customer acknowledges and agrees that Insights may not be unique and other users may generate the same or similar information. Adobe and its licensors retain all right, title, and interest in and to Insights. Subject to the applicable restrictions in the Agreement and section 2 of this PSLT (Restrictions), Adobe grants Customer a non-exclusive, perpetual, worldwide, non-transferable and non-sublicensable license to permit Users to access the Insights within the Cloud Services solely for Customer’s internal business purposes and in accordance with the applicable Documentation.
2. **Restrictions.** In addition to the restrictions in the Agreement, Customer will not directly or indirectly: (i) access the Products and Services if Customer operates or offers similar or competitive products and services; (ii) harvest or scrape data made available through the Products and Services; or (iii) use or launch any automated system, including, "robots," "spiders," or "offline readers," that sends more request messages to the Cloud Services in a given period of time than a human can reasonably produce in the same period by using a conventional browser; or permit anyone to do so.
3. **Product Description.** Product limitations are detailed in the Product Description for Adobe Brand Visibility found here: <https://helpx.adobe.com/legal/product-descriptions.html>.
4. **Pre-release Technology.** Certain features or functionalities may be designated as “beta,” “labs,” “alpha,” “early access,” “experimental,” “test,” or another similar term (including in the user interface or Documentation) (collectively, “**Pre-Release Features**”). Pre-Release Features are provided solely for evaluation purposes and must be used in accordance with any applicable Documentation and other instructions provided by Adobe. Pre-Release Features are provided “AS IS” and “AS AVAILABLE” without any warranties, representations, service commitments or support obligations and may contain errors, defects, bugs, security vulnerabilities or inaccuracies. Adobe may modify, suspend, discontinue, remove or decline to make generally available any Pre-Release Feature at any time, with or without notice, and has no obligation to commercialize any Pre-Release Feature. Pre-Release Features are Confidential Information of Adobe and are not Indemnified Technology for purposes of the Agreement. Notwithstanding anything to the contrary, Adobe will have no indemnification or other liability arising from or relating to any Pre-Release Feature or any Output generated by a Pre-Release Feature. Customer assumes all risks associated with its use of Pre-Release Features and remains solely responsible for evaluating any Output generated by a Pre-Release Feature. Customer hereby assigns to Adobe all right, title, and interest in and to any feedback, suggestions, recommendations, improvements, ideas, or other information provided by Customer relating to the Pre-Release Features or information that Adobe collects on User’s interactions with the Pre-Release Features, including all intellectual property rights therein.
5. **Definitions**
 - 5.1 “**Insights**” means any data, graphs, insights, analysis, suggestions, and other outputs of the Products and Services but does not include Output (as defined and governed by the Generative Artificial Intelligence Features Terms) and Customer Data.
