SERVICE LEVEL AGREEMENT

2. **Maintenance and Incident Notification Process.** Adobe posts notices regarding maintenance and other outages at status.adobe.com. Customer can subscribe to receive notices of maintenance and other outages through <https://status.adobe.com/> via the “Manage subscriptions” functionality. Notwithstanding the foregoing, for notices related to Frame, Customer can refer to and subscribe to receive updates from <https://status.frame.io/>.

3. **Service Credits.**

3.1 Uptime Percentage. If during any full calendar month of the term of the Agreement, the Uptime Percentage for a Covered Service is lower than the Minimum Uptime Percentage, and Customer notifies Adobe in writing (through Customer’s CSM, as applicable, or Adobe Customer Care) about such Downtime within 30 days of the Downtime, Adobe shall provide Customer with a service credit for that Covered Service in accordance with the table below in Section 3.2 (“**Service Credit**”). The Service Credit percentage will be calculated against Monthly Fees for the Covered Service and will be paid against future fees. The “**Monthly Fee**” will be calculated based upon the licensing fees for the Covered Service as stated in the applicable Sales Order (excluding flow-through costs for third-party services (e.g., media buys, data)). If, for example, the licensing fee for the Covered Service is an annual licensing fee, then the Monthly Fee will be equal to the annual licensing fee applicable to the Covered Service divided by 12. Adobe reserves the right to apportion value to Covered Services when Customer has licensed multiple products under one SKU in order to calculate Service Credits.

3.2 Service Credit Table.

Uptime Percentage	Service Credit %
≥ 99.5% but < 99.9%	5% of Monthly Fees
≥ 95.0% but < 99.5%	10% of Monthly Fees
≥ 90.0% but < 95.0%	15% of Monthly Fees
<90.0%	25% of Monthly Fees

3.3 Exclusive Remedies/Cumulative Service Credits. Except as provided in section 4 below, any Service Credits provided pursuant to this Service Level Agreement will constitute Adobe’s sole liability and Customer’s sole and exclusive remedy for any failure to achieve the Minimum Uptime Percentage. Failure to achieve the Minimum Uptime Percentage for the Covered Service will result in the Service Credit % applicable to each Covered Service, subject to a maximum cumulative Service Credit % of 25% of total Monthly Fees for the Covered Service (regardless of the number of individual service failures in the applicable month).

4. **Termination for Chronic Failure.** If Adobe fails to maintain an Uptime Percentage of ≥ 90% for any individual Covered Service for any 3 months in a 6-month period (“Minimum Level of Service”), Customer may terminate that single affected Covered Service upon 10 days written notice to Adobe from the date there is a failure to meet the Minimum Level of Service.
