

TRUSTe LLC Independent GDPR Privacy Practices Compliance Validation Findings Summary

Expiration Date: April 21, 2027

Scope

TRUSTe LLC¹ has reviewed the privacy practices of Adobe Inc. (“Organization”) as of April 21, 2026 against the 44 GDPR Privacy Practices Management Validation Requirements (the “Validation Requirements”) comprising the TrustArc GDPR Privacy Practices Management Compliance Validation. A validation review of the Organization’s GDPR Privacy Practices involves a comprehensive evaluation of practice-level measures and evidence of those measures to ensure that the processing of personal information conducted by them, or by a third-party processor on their behalf, is performed in compliance with the EU General Data Protection Regulation (GDPR).

Inherent Limitations

Because of their nature and inherent limitations, practices-level measures of the Organization may not always operate effectively to meet the applicable Validation Requirements. Furthermore, our findings herein are subject to the risk that the Privacy Practices, or any component of the Organization’s practices, may change or that practice-level measures implemented by the Organization may become ineffective or fail.

Findings

In our opinion, in all material respects, based on the descriptions and supporting evidence of practices-level measures identified in Adobe Inc.’s GDPR Validation Assessment:

- The applicable practices-level measures as further described in the accompanying TRUSTe Validation Report have been implemented as of April 21, 2026.
- The measures described in the GDPR Validation Assessment were suitably designed to provide reasonable assurance that the Validation Requirements would be met if the practices-level measures operated effectively as of April 21, 2026.
