1. **Definitions.**

1.1 "**Adobe**" means Adobe Systems Incorporated, a Delaware corporation, 345 Park Avenue, San Jose, California 95110 if this agreement is entered into while you are in the United States, Canada or Mexico; otherwise, it means Adobe Systems Software Ireland Limited, 4-6 Riverwalk, Citywest Business Campus, Dublin 24, Ireland.

1.2 "**Adobe Runtime(s)**" means Adobe AIR, Adobe Flash Player, Shockwave Player, or Authorware Player.

1.3 "**Authorized Users**" means employees and individual contractors (e.g., temporary employees) of Licensee.

1.4 "**Computer**" means one or more central processing units ("CPU") in a hardware device (including a Server) that accepts information in digital or similar form and manipulates it for a specific result based on a sequence of instructions.

1.5 "**Documentation**" means the user manuals and technical publications as applicable, supplied in connection with validly licensed Software relating to the installation, use and administration of the Software.

1.6 "**Internal Network**" means Licensee's private, proprietary network resource accessible only by Authorized Users. "Internal Network" specifically excludes the Internet or any other network community open to the public, including membership or subscription driven groups, associations or similar organizations. Connection by secure links such as VPN or dial up to Licensee's Internal Network for the purpose of allowing Authorized Users to use the Software is deemed use over an Internal Network.

1.7 "**Output File**" means an output file you create with the Software.

1.8 "**Permitted Number**" means one (1) unless otherwise indicated under a valid license (e.g., volume license) granted by Adobe.

1.9 "**Redistributables**" mean the files identified as Adobe Redistributable in the REDISTRB.TXT file located (a) on the Software CD-ROM, (b) if the Software was downloaded, in the unpacked installation folder or (c) in the Adobe RoboHelp folder on the computer hard drive.

1.10 "**Server**" means a Computer designed or configured for access by multiple users through a network. When a Server contains more than one (1) Virtual Machine, each Virtual Machine shall be construed as Server.

1.11 "**Software**" means (a) the object code version of the validly licensed Adobe's proprietary software package accompanying this document, including all related Documentation and other materials provided by Adobe; (b) Sample Application Code; (c) modified versions, copies of, and upgrades, updates, and additions to such software and materials provided by Adobe at any time; (d) sample and stock photographs, images, sounds, clip art and other artistic works bundled with Adobe software and not obtained from Adobe through a separate service (unless otherwise noted within that service) or from another party through a separate service ("Content Files"); and (e) fonts.

1.12 "**Virtual Machine**" (or "VM") means a technical environment that contains the components necessary to operate multiple instances of software installed on a single Computer as if any instance of such software was separately installed on a separate Computer. VM also means a technical environment operating one or more instances of the Software to deliver hosted services and resources over the internet or intranet in which the services and resources can be accessed in a manner that permits such services and resources to be made available "on demand", scaling up or down, to the processing needs of the user over time.

## 2. **Software License; Membership.**

2.1 **Software License.** This Section 2.1 applies to Customers who have purchased a license to the Software but have not purchased a membership-based license or service such as the Creative Cloud membership (as described in Section 2.2).

2.1.1 **License Grant.** Subject to Customer's continuous compliance with this Agreement and payment of the

applicable license fees, Adobe grants Customer a non-exclusive and limited license to install and use the Software on a per-Core basis (a) in the territory or region where Customer obtains the Software from Adobe or Adobe's authorized reseller or as otherwise stated in the Documentation ("Territory"), (b) during the term of such license ("License Term"), (c) within the scope of the License Type and by Authorized Users, on Computer within Customer's Internal Network, and (d) in a manner consistent with the terms of this Agreement and applicable Documentation. Adobe grants Licensee the right to run a single physical machine/single VM instance for each valid license of Software that Licensee has obtained, as long as the number of Cores in such single physical machine is less than or equal to four (4) or as long as number of Cores assigned in such Single VM is less than or equal to four (4). For clarity, each Software License can run on a maximum of single Physical machine/single VM instance, provided that the number of Core exist in a physical machine/assigned to such VM instance is less than or equal to four. For example, if Licensee has 16 Cores in a single physical machine or if Licensee assigned 16 cores to a single VM instance, in each case, Licensee would need four (4) Software License. Unless otherwise defined in this Agreement, in the applicable Documentation, or at the time of purchase, License Term shall be perpetual. Upon the expiration or termination of the License Term, some or all of the Software may cease to operate without prior notice. Upon expiration or termination of the License Term, Customer may not use the Software unless Customer has renewed the license. The license granted herein is supplemented by specific provisions in Section 16 as related to the use of certain applicable products and components that may be included in the Software such as font software, Acrobat, After Effects, Adobe Presenter, Contribute, Flash Player, Flash Builder, Digital Publishing Suite, and Adobe Runtimes.

## 2.1.2 License Types.

**2.1.2.1 Non-Serialized Software.** The Software, or portions of the Software, that are provided without a serial number during the License Term may only be installed and used on any number of Compatible Computers as part of an organizational deployment plan during the License Term for demonstration, evaluation, and training purposes only, and only if any Output Files or other materials produced through such use are used only for internal, non-commercial, and non-production purposes. THE NONSERIALIZED SOFTWARE IS PROVIDED "AS-IS". ACCESS TO AND USE OF ANY OUTPUT FILES CREATED WITH SUCH NON-SERIALIZED SOFTWARE IS ENTIRELY AT CUSTOMER'S OWN RISK.

**2.1.2.2 Evaluation Software.** The Software, or portions of the Software, that are provided with a serial number designated for "evaluation purposes" or other similar designation (such as Software or a serial number supplied as "EVAL" under a separate agreement) ("Evaluation Software") may only be installed and used on Permitted Number of Compatible Computers during the License Term for demonstration, evaluation, and training purposes only, and only if any Output Files or other materials produced through such use are used only for internal, non-commercial, and non-production purposes. THE EVALUATION SOFTWARE IS PROVIDED "AS IS". ACCESS TO AND USE OF ANY OUTPUT FILES CREATED WITH SUCH EVALUATION SOFTWARE IS ENTIRELY AT CUSTOMER'S OWN RISK.

**2.1.2.3 Subscription Edition.** For the Software available on a subscription-basis ("Subscription Edition"), Customer may install and use the Subscription Edition only on the Permitted Number of Compatible Computer during the License Term. Subject to the Permitted Number of Computers for the Subscription Edition, Adobe may allow Customer to install and use the most recent prior version of the Subscription Edition and the current version of the Subscription Edition on the same Computer during the License Term. Customer agrees that Adobe may change the type of Software (such as specific components, versions, platforms, languages, etc.) included in the Subscription Edition at any time and shall not be liable to Customer whatsoever for such change. Ongoing access to a Subscription Edition requires: (a) a recurring Internet connection to activate, renew, and validate the license, (b) Adobe or its authorized reseller's receipt of recurring subscription payments, and (c) Customer's agreement to subscription terms and other additional terms and conditions that are available at

<http://www.adobe.com/go/paymentterms> or at the time of purchase. If Adobe does not receive the recurring subscription payment or cannot validate the license periodically, then the Software may become inactive without additional notice until Adobe receives the payment or validates the license.

**2.1.3 Portable or Home Computer Use.** Subject to the restrictions set forth in Section 2.1.4, the primary user of the Computer on which the Software is installed under Section 2.1 ("Primary User") may install a second copy of the Software for his or her exclusive use on either a portable Computer or a Computer located at his or her home, provided that the Software on the portable or home Computer is not used at the same time as the Software on the primary Computer.

**2.1.4 Restrictions on Secondary Use by Volume Licensees.** If the Software was obtained under an Adobe volume license program or agreement (such as Adobe Volume Licensing) by any licensee other than an educational volume licensee, then the second copy of the Software made under Section 2.1.3 must be used solely for the benefit and business of that volume licensee.

**2.1.5 Dual Boot Platform.** The Software is licensed for use on a specific operating system platform. Customer must purchase a separate license for use of the Software on each operating system platform. By way of example, if Customer desires to install the Software on both the Mac OS and Windows operating system platforms on a device that runs both of those platforms (i.e., a dual boot machine), then Customer must first obtain two separate licenses for the Software. This is true even if two versions of the Software, each designed for a different operating system platform, are delivered to Customer on the same media.

**2.1.6 Distribution from a Server.** As permitted by the Documentation, Customer may copy an image of the Software onto a Computer file server within Customer's Internal Network ("Server") for the purpose of downloading and installing the Software onto Computers within the same Internal Network for use only as permitted by this Section 2.

**2.1.7 Server Use.**

2.1.7.1 As permitted in a separate purchasing document or Documentation and subject to license restrictions stated in this Agreement, Customer may install the Software on a Server only for the purpose of allowing Authorized Users from a Computer within the same Internal Network ("Network User") to access and use the Software.

2.1.7.2 For clarification and without limitation, the foregoing does not permit Customer to install or access (either directly or through commands, data, or instructions) the Software: (a) from or to a Computer not part of Customer's Internal Network; (b) for enabling web hosted workgroups or web hosted services available to the public; (c) by any individual or entity to use, download, copy, or otherwise benefit from the functionality of the Software unless licensed to do so by Adobe; (d) as a component of a system, workflow or service accessible by more than the Permitted Number of users; or (e) for operations not initiated by an individual user (e.g., automated server processing).

**2.2 Membership.** This Section 2.2 applies to Customers who have purchased a membership-based license (collectively, "Membership").

**2.2.1 Adobe Online Services Related to the Membership.** Subject to Customer's continuous compliance with this Agreement and payment of the applicable membership fees, if any, Adobe grants Customer a non-exclusive, Territory-wide and limited right to access and use the Software and related Adobe Online Service (as further

described in Section 16.4.1) as part of the Membership, subject to the terms stated in this Agreement and the Additional Terms of Use (as the term is defined in Section 14.1.3 below).

**2.2.2 Software License Related to the Membership.** Subject to Customer's continuous compliance with this Agreement and payment of the applicable membership fees, if any, Adobe grants Customer a nonexclusive and limited license to install and use the Software: (a) in the Territory, (b) during the period that the Membership is current and active ("Membership Term") and (c) in a manner consistent with the terms of this Agreement and applicable Documentation. Upon the expiration or termination of the Membership Term, (x) some or all of the Software may cease to operate without prior notice and (y) Customer may not use the Software unless Customer has renewed the membership. All terms related to the specific Software as stated in this Agreement shall remain effective and continue to apply to Customer and its use of such Software.

**2.2.3 Restrictions.** Customer agrees to the following additional terms and restrictions related to the Membership: (a) Adobe may change the type of Software (such as specific products, components, versions, platforms, languages, etc.) included in the Membership at any time and shall not be liable to Customer whatsoever for such change; (b) Customer may be required to connect to the Internet and log in at any time during the Membership Term; (c) Software may automatically connect to the Internet to verify Customer's Membership without notice at any time; and (d) Customer may not enable or allow others to use the Software as Customer.

**2.3 Content Files.** Unless stated otherwise in the "Read-Me" files, Documentation, or other license(s) associated with the Content Files, Customer may use, display, modify, reproduce, and distribute any of the Content Files. However, Customer may not distribute the Content Files on a stand-alone basis (i.e., in circumstances in which the Content Files constitute the primary value of the product being distributed), and Customer may not claim any trademark rights in the Content Files or derivative works thereof. Nothing stated herein shall affect the ownership of the Software as stated in Section 3.

**2.4 Sample Application Code.** Customer may modify the source code form of those portions of the Software programs that are expressly identified as sample code, sample application code, code snippets, ActionScript class files, or sample components (each, "Sample Application Code") in the accompanying Documentation solely for the purposes of designing, developing, and testing websites and applications developed using Adobe software programs; provided, however, Customer is permitted to copy and distribute the Sample Application Code (modified or unmodified) only if all of the following conditions are met: (a) Customer distributes only the compiled object code versions of the Sample Application Code with its application; (b) Customer does not include the Sample Application Code in any product or application designed for website development; and (c) Customer does not use the Adobe name, logos, icons, or other Adobe trademarks to market its application. Customer agrees to indemnify, hold harmless, and defend Adobe from and against any loss, damage, claims, or lawsuits, including attorney's fees, that arise or result from the use or distribution of its application.

**2.5 Programming Languages.** The Software may include portions of the ExtendScript SDK and Pixel Bender SDK. Subject to the restrictions contained in this Section 2, Adobe grants to Customer a nonexclusive, nontransferable, royalty-free license to use the items in the ExtendScript SDK and Pixel Bender SDK only for the purpose of internal development of application programs designed to function with Adobe products. Except as expressly provided in this Section 2.5, no portions of the ExtendScript SDK or the Pixel Bender SDK may be modified or distributed. Customer agrees to indemnify, hold harmless, and defend Adobe from and against any loss, damage, claims, or lawsuits, including attorney's fees, that arise or result from such distribution.

**2.6 Documentation Copies.** Customer may make copies of the Documentation for its own internal use in

connection with use of the Software in accordance with this agreement, but no more than the amount reasonably necessary.

2.7 **Backup Copy.** You may make a reasonable number of backup copies of the Software, provided your backup copies are not installed or used for other than archival purposes.

### 3. **Intellectual Property Ownership.**

The Software and any authorized copies that you make are the intellectual property of and are owned by Adobe Systems Incorporated and its suppliers. The structure, organization, and source code of the Software are the valuable trade secrets and confidential information of Adobe Systems Incorporated and its suppliers. The Software is protected by law, including but not limited to the copyright laws of the United States and other countries, and by international treaty provisions. Except as expressly stated herein, this agreement does not grant you any intellectual property rights in the Software and all rights not expressly granted are reserved by Adobe and its suppliers.

### 4. **Restrictions and Requirements.**

4.1 **Notices.** Any permitted copy of the Software that you make must contain the same copyright and other proprietary notices that appear on or in the Software.

4.2 **Use Obligations.** You agree that you will not use the Software other than as permitted by this agreement and that you will not use the Software in a manner inconsistent with its design or Documentation.

4.3 **No Modifications.** Except as expressly permitted in Sections 2.3, 2.4 or 16, you may not modify, port, adapt, or translate the Software.

4.4 **No Reverse Engineering.** You will not reverse engineer, decompile, disassemble, or otherwise attempt to discover the source code of the Software. If you are located in the European Union, please refer to Section 16.1.

4.5 **No Unbundling.** The Software may include various applications, utilities, and components, may support multiple platforms and languages, and may be provided to you on multiple media or in multiple copies. Nonetheless, the Software is designed and provided to you as a single product to be used as a single product on Computers as permitted by Sections 2 and 16. You are not required to install all component parts of the Software, but you may not unbundle the component parts of the Software for use on different Computers. You may not unbundle or repackage the Software for distribution, transfer or resale. See Section 16 for specific exceptions to this Section 4.5.

4.6 **No Transfer.** YOU WILL NOT RENT, LEASE, SELL, SUBLICENSE, ASSIGN OR TRANSFER YOUR RIGHTS IN THE SOFTWARE, OR AUTHORIZE ANY PORTION OF THE SOFTWARE TO BE COPIED ONTO ANOTHER INDIVIDUAL OR LEGAL ENTITY'S COMPUTER EXCEPT AS MAY BE EXPRESSLY PERMITTED HEREIN. You may, however, permanently transfer all your rights to use the Software to another individual or legal entity provided that: (a) you also transfer (i) this agreement, (ii) the serial number(s), the Software affixed to media provided by Adobe or its authorized distributor, and all other software or hardware bundled, packaged or pre-installed with the Software, including all copies, upgrades, updates, and prior versions, and (iii) all copies of font software converted into other formats to such individual or entity; (b) you retain no upgrades, updates or copies, including backups and copies stored on a Computer; and (c) the receiving party accepts the terms and conditions of this agreement and any other terms and conditions under which you purchased a valid license to the Software. NOTWITHSTANDING THE

FOREGOING, YOU MAY NOT TRANSFER EDUCATION, PRE-RELEASE, OR NOT FOR RESALE COPIES OF THE SOFTWARE OR SOFTWARE OBTAINED UNDER AN ADOBE VOLUME LICENSE PROGRAM EXCEPT AS MAY BE EXPRESSLY PERMITTED BY ADOBE WITHIN THE TERMS OF A VOLUME LICENSE PROGRAM. Information about obtaining the right to transfer volume licensed software may be found at [http://www.adobe.com/go/openoption\\_policies](http://www.adobe.com/go/openoption_policies). Prior to a transfer, Adobe may require that you and the receiving party confirm in writing your compliance with this agreement, provide Adobe with information about yourselves, and register as end-users of the Software. Allow 4-6 weeks to transfer. Please visit <http://www.adobe.com/go/support> or contact Adobe's Customer Support Department for more information.

**4.7 No Service Bureau.** You will not use or offer the Software on a service bureau basis.

**4.8 Adobe Runtime Restrictions.** You will not use Adobe Runtimes on any non-PC device or with any embedded or device version of any operating system. For the avoidance of doubt, and by example only, you may not use Adobe Runtimes on any (a) mobile device, set top box (STB), handheld, phone, Web pad, tablet and Tablet PC (other than with Windows XP Tablet PC Edition and its successors), game console, TV, DVD player, media center (other than with Windows XP Media Center Edition and its successors), electronic billboard or other digital signage, Internet appliance or other Internet-connected device, PDA, medical device, ATM, telematic device, gaming machine, home automation system, kiosk, remote control device, or any other consumer electronics device, (b) operator-based mobile, cable, satellite, or television system, or (c) other closed system device. For information on licensing Adobe Runtimes for use on such systems please visit <http://www.adobe.com/go/licensing>.

**4.9 Territory.** If you purchase more than one Software license, you must not install or deploy the Software outside of the country where you purchased the license unless otherwise permitted under volume licensing program you have entered into with us. If you live in the European Economic Area, "country" means the European Economic Area. We may terminate the license granted herein if we determine that you are using the Software in violation of this Section.

## **5. Updates.**

If the Software is an upgrade or update to a previous version of Adobe software, you must possess a valid license to such previous version in order to use such upgrade or update. After you install such update or upgrade, you may continue to use any such previous version in accordance with its end-user license agreement only if (a) the upgrade or update and all previous versions are installed on the same Computer, (b) the previous versions or copies thereof are not transferred to another party or device unless all copies of the update or upgrade are also transferred to such party or device, and (c) you acknowledge that any obligation Adobe may have to support the previous version(s) may end upon the availability of the upgrade or update. No other use of the previous version(s) is permitted after installation of an update or upgrade. Upgrades and updates may be licensed to you by Adobe with additional or different terms.

## **6. Limited Warranty.**

**Adobe warrants to the individual or entity that first purchases a license for the Software for use pursuant to the terms of this agreement that the Software will perform substantially in accordance with the Documentation for the ninety (90) day period following receipt of the Software when used on the recommended operating system and hardware configuration. Non-substantial variation of performance from the Documentation does not establish a warranty right. This limited warranty does not apply to the following, which are made available AS-IS and without warranty from Adobe: patches, font software converted into other formats; pre-release, trial,**

starter, evaluation, product sampler, and not for resale (NFR) copies of the Software; Web Sites, Adobe Online Services; Third Party Online Services; Certified Document Services (see Section 16); and any software made available by Adobe for free via Web download from an Adobe Web Site. All warranty claims must be made, along with proof of purchase, to the Adobe Customer Support Department within such ninety (90) day period. Visit the Adobe Customer Support pages at <http://www.adobe.com/go/support> for more information about warranty claims. If the Software does not perform substantially in accordance with the Documentation, the entire liability of Adobe and its affiliates and your exclusive remedy will be limited to either, at Adobe's option, replacement of the Software or refund of the license fee you paid for the Software. The limited warranty set forth in this section gives you specific legal rights. You may have additional rights under law which vary from jurisdiction to jurisdiction. Adobe does not seek to limit your warranty rights to any extent not permitted by law. Please see Section 16 for jurisdiction-specific provisions or contact the Adobe Customer Support Department.

THIS DISCLAIMER OF WARRANTY MAY NOT BE VALID IN SOME JURISDICTIONS. CUSTOMER MAY HAVE ADDITIONAL WARRANTY RIGHTS UNDER LAW WHICH MAY NOT BE WAIVED OR DISCLAIMED. ADOBE DOES NOT SEEK TO LIMIT CUSTOMER'S WARRANTY RIGHTS TO ANY EXTENT NOT PERMITTED BY LAW. The provisions of Sections 7 and Section 8 will survive the termination of this agreement, howsoever caused, but this will not imply or create any continued right to use the Software after termination of this agreement.

IN ANY EVENT, ADOBE'S AGGREGATE LIABILITY AND THAT OF ITS AFFILIATES, SUPPLIERS, AND CERTIFICATE AUTHORITIES UNDER OR IN CONNECTION WITH THIS AGREEMENT WILL BE LIMITED TO THE AMOUNT PAID FOR THE SOFTWARE, IF ANY. THIS LIMITATION WILL APPLY EVEN IN THE EVENT OF A FUNDAMENTAL OR MATERIAL BREACH OR A BREACH OF THE FUNDAMENTAL OR MATERIAL TERMS OF THIS AGREEMENT. Nothing contained in this agreement limits Adobe's liability to you in the event of death or personal injury resulting from Adobe's negligence or for the tort of deceit (fraud). Adobe is acting on behalf of its affiliates, suppliers, and Certificate Authorities for the

purpose of disclaiming, excluding, and limiting obligations, warranties, and liability, but in no other respects and for no other purpose. For further information, contact the Adobe Customer Support Department.

All rights to use the Software are granted on condition that such rights are forfeited if you fail to comply with the terms of this agreement.

#### **10. Governing Law.**

If you are a consumer who uses the Software for only personal non-business purposes, then this agreement will be governed by the laws of the jurisdiction in which you purchased the license to use the Software. If you are not such a consumer, this agreement will be governed by and construed in accordance with the substantive laws in force in: (a) the State of California, if a license to the Software is obtained when you are in the United States, Canada, or Mexico; or Japan, if a license to the Software is obtained when you are in Japan, China, Korea, or other Southeast Asian country where all official languages are written in either an ideographic script (e.g., Hanzi, Kanji, or Hanja), and/or other script based upon or similar in structure to an ideographic script, such as hangul or kana; or (c) England, if a license to the Software is obtained when you are in any jurisdiction not described above. The respective courts of Santa Clara County, California when California law applies, Tokyo District Court in Japan, when Japanese law applies, and the competent courts of London, England, when the law of England applies, shall each have non-exclusive jurisdiction over all disputes relating to this agreement. This agreement will not be governed by the conflict of law rules of any jurisdiction or the United Nations Convention on Contracts for the International Sale of Goods, the application of which is expressly excluded.

#### **11. General Provisions.**

If any part of this agreement is found void and unenforceable, it will not affect the validity of the balance of this agreement, which will remain valid and enforceable according to its terms. This agreement may only be modified in writing, signed by an authorized officer of Adobe. This is the entire agreement between Adobe and you relating to the Software and it supersedes any prior representations, discussions, undertakings, communications, or advertising relating to the Software.

### 13. Compliance with Licenses.

If you are a business, company, or organization, you agree that, no more than once every 12 months, Adobe or its authorized representative shall, upon 10 days' prior notice to you, have the right to inspect your records, systems, and facilities to verify that your use of any and all Adobe software is in conformity with your valid licenses from Adobe. For example, Adobe has the right to those of your records useful to determine whether installations of the Software have, or have not, been serialized, and you shall provide such records to Adobe promptly upon request by Adobe. You may find information about counting Software serializations at [http://www.adobe.com/go/volume\\_resources](http://www.adobe.com/go/volume_resources). If a verification discloses that your use is not in conformity with a valid license, you shall immediately obtain valid licenses to bring your use into conformity.

### 14. Internet Connectivity and Privacy.

**14.1 Automatic Connections to the Internet.** The Software may cause your Computer, without additional notice, automatically to connect to the Internet and to communicate with an Adobe Web Site for purposes that may include providing you with additional information, features and functionality. Unless otherwise specified in Sections 14.2 through 14.6, the following provisions apply to all automatic Internet connections by the Software:

14.1.1 When the Software automatically connects to the Internet, an Internet protocol address ("IP Address") that is associated with your current Internet connection is sent to an Adobe Web Site;

14.1.2 When the Software automatically connects to the Internet, no personally identifiable information is sent except to the extent that IP Addresses may be considered personally identifiable in some jurisdictions; and

14.1.3 Whenever the Software makes an Internet connection and communicates with an Adobe Web Site, whether automatically or due to explicit user request, the Adobe Privacy Policy (<http://www.adobe.com/go/privacy>) shall apply. Additionally, unless you are provided with separate terms of use at that time, the Adobe.com Terms of Use (<http://www.adobe.com/go/terms>) shall apply. Please note that the Adobe Privacy Policy allows tracking of Web Site visits and it addresses in detail the topic of tracking and use of cookies, Web beacons, and similar devices.

**14.2 Updating.** The Software may cause your Computer, without additional notice, automatically to connect to the Internet (intermittently or on a regular basis) to check for Updates that are available for download to and installation on your Computer and to let Adobe know the results of installation attempts. Please consult the Documentation for information about changing update settings.

**14.3 Activation.** The Software may cause your Computer, without additional notice, and on an intermittent or regular basis, automatically to connect to the Internet in order to validate that the Software is being operated in accordance with this agreement (a process referred to as "Activation"). In some cases, Software that fails to activate may offer only limited functionality or may not operate at all. Please visit <http://www.adobe.com/go/activation> for more details.

**14.4 Use of Adobe Online Services.** The Software may cause your Computer, without additional notice, and on an intermittent or regular basis, automatically to connect to the Internet to facilitate your access to content and services that are provided to you by Adobe as further described in Section 16.5. In addition, the Software may, without additional notice, automatically connect to the Internet to update downloadable materials from these services so as to provide immediate availability of these services even when you are offline. Please consult the Documentation for information about changing update settings.

**14.5 Digital Certificates.** The Software uses digital certificates to help you identify downloaded files (e.g., applications and content) and the publishers of those files. For example, Adobe AIR uses digital certificates to help you identify the publisher of Adobe AIR applications and the Adobe Acrobat family of products uses digital certificates to sign and validate signatures within PDF documents and to validate certified PDF documents. Your Computer may connect to the Internet at the time of validation of a digital certificate.

**14.6 Settings Manager.** The Software may include Flash Player. Flash Player may cause certain user settings to be stored on your Computer as a local shared object. These settings are not associated with you, but allow you to configure certain settings within the Flash Player. You can find more information on local shared objects at [http://www.adobe.com/go/flashplayer\\_security](http://www.adobe.com/go/flashplayer_security) and more information on the Settings Manager at <http://www.adobe.com/go/settingsmanager>.

## **15. Peer to Peer Communications.**

The Software may use your connection to a local area network, without additional notice, automatically to connect to other Adobe software and, in doing so, may indicate on the local area network that it is available for communication with other Adobe software. These connections may transmit the IP Address of your connection to the local network, but no personally identifiable information is ever transmitted or received through such network connections (except to the extent that IP addresses may be considered personally identifiable in some jurisdictions). Please consult the Documentation for information about changing default settings.

## **16. Specific Provisions and Exceptions.**

This section sets forth specific provisions related to certain products and components of the Software as well as limited exceptions to the above terms and conditions. To the extent that any provision in this section is in conflict with any other term or condition in this agreement, this section will supersede such other term or condition.

### **16.1 No Prejudice, European Union Provisions.**

**16.1.1** This agreement will not prejudice the statutory rights of any party, including those dealing as consumers. For example, for consumers in New Zealand who obtain the Software for personal, domestic, or household use (not business purposes), this agreement is subject to the Consumer Guarantees Act.

**16.1.2** If you obtained the Software in the European Union (EU), you usually reside in the EU and you are a consumer (that is you use the Software for personal, non-business-related purposes), then Section 6 does not apply to your purchase and use of the Software. Instead, Adobe warrants for a period of 2 years from purchase that the Software provides the functionalities set forth in the Documentation (the "agreed upon functionalities") when used on the recommended hardware configuration. Non-substantial variation from the agreed upon functionalities will not establish any warranty rights. THIS WARRANTY DOES NOT APPLY TO SOFTWARE THAT YOU USE ON A PRE-

RELEASE, TRYOUT, STARTER, OR PRODUCT SAMPLER BASIS, OR TO FONT SOFTWARE CONVERTED INTO OTHER FORMATS, OR TO THE EXTENT THE SOFTWARE FAILS TO PERFORM BECAUSE IT HAS BEEN ALTERED BY YOU. To make a warranty claim, you must notify the Adobe Customer Support Department during this 2 year period, providing details of proof of purchase of the Software. Adobe will verify with you whether there is a defect in the Software or advise you that the error arises because you have not installed the Software correctly (in which case, Adobe shall assist you). If there is a defect in the Software, you may request from Adobe either a refund or a repaired or replacement copy of the Software. Requests must be accompanied by proof of purchase. In the event your warranty details are substantiated, Adobe will meet your request for repaired or replacement Software, unless it is not reasonable for Adobe to do so, in which case Adobe will provide you with a refund. For warranty assistance, please contact the Adobe Customer Support Department.

Please note that the provisions of Section 8 (Limitation of Liability) will continue to apply to any damages claims you make in respect of your use of the Software. Nonetheless, Adobe shall be liable for direct losses that are reasonably foreseeable in the event of a breach by Adobe of this agreement. You are advised to take all reasonable measures to avoid and reduce damages, in particular by making back-up copies of the Software and your computer data.

This agreement, and in particular, this Section 16.1.2, is intended to describe your rights (including your statutory rights) in the event there should be problems with your use of the Software. If your statutory rights are greater than this description, your statutory rights shall apply.

16.1.3 Nothing included in this agreement (including Section 4.4) shall limit any non-waivable right to decompile the Software that you may enjoy under applicable law. For example, if you are located in the European Union (EU), you may have the right upon certain conditions specified in the applicable law to decompile the Software if it is necessary to do so in order to achieve interoperability of the Software with another software program, and you have first asked Adobe in writing to provide the information necessary to achieve such operability and Adobe has not made such information available. In addition, such de-compilation may only be performed by you or someone else entitled to use a copy of the Software on your behalf. Adobe has the right to impose reasonable conditions before providing such information. Any information supplied by Adobe or obtained by you, as permitted hereunder, may only be used by you for the purpose described herein and may not be disclosed to any third party or used to create any software that is substantially similar to the expression of the Software or used for any other act that infringes the copyright of Adobe or its licensors.

**16.2 Pre-release Software Additional Terms.** If the Software is pre-commercial release or beta software ("Pre-release Software"), then this section applies. The Pre-release Software is a pre-release version, does not represent final product from Adobe, and may contain bugs, errors and other problems that could cause system or other failures and data loss. Adobe may never commercially release the Pre-release Software. If you received the Pre-release Software pursuant to a separate written agreement, such as the Adobe Systems Incorporated License Agreement for Pre-Release Software, your use of the Software is also governed by such agreement. You will return or destroy all copies of Pre-release Software upon request by Adobe or upon Adobe's commercial release of such Software. YOUR USE OF PRE-RELEASE SOFTWARE IS AT YOUR OWN RISK. SEE SECTIONS 7 AND 8 FOR WARRANTY DISCLAIMERS AND LIABILITY LIMITATIONS WHICH GOVERN PRE-RELEASE SOFTWARE.

**16.3 Educational Software Product.** If the Software is Educational Software Product (Software manufactured and distributed for use by only Educational End Users), you are not entitled to use the Software unless you qualify in your jurisdiction as an Educational End User. Please visit [http://www.adobe.com/go/edu\\_purchasing](http://www.adobe.com/go/edu_purchasing) to learn if you qualify. To find an Adobe Authorized Academic Reseller in your area, please visit <http://www.adobe.com/go/store>.

16.4 Font Software. If the Software includes font software:

16.4.1 You may use the font software with the Software on Computers as described in Section 2 and output the font software to any output device(s) connected to such Computer(s).

16.4.2 If the Permitted Number of Computers is five or fewer, you may download the font software to the memory (hard disk or RAM) of one output device connected to at least one of such Computers for the purpose of having the font software remain resident in such output device, and of one more such output device for every multiple of five represented by the Permitted Number of Computers.

16.4.3 You may take a copy of the font(s) you have used for a particular file to a commercial printer or other service bureau, and such service bureau may use the font(s) to process your file, provided such service bureau has a valid license to use that particular font software.

16.4.4 You may convert the font software into another format and install it for use in other environments, subject to the following conditions: A Computer on which the converted font software is used or installed will be considered as one of your Permitted Number of Computers. Use of the font software you have converted will be pursuant to all the terms and conditions of this agreement. Such converted font software may be used only for your own customary internal business or personal use and may not be distributed or transferred for any purpose, except in accordance with Section 4.6 of this agreement.

16.4.5 You may embed copies of the font software into your electronic documents for the purpose of printing and viewing the document. If the font software you are embedding is identified as "licensed for editable embedding" on Adobe's Web Site at [http://www.adobe.com/go/embedding\\_eula](http://www.adobe.com/go/embedding_eula), you may also embed copies of that font software for the additional purpose of editing your electronic documents. No other embedding rights are implied or permitted under this license.

16.4.6 As an exception to the above, the fonts listed at [http://www.adobe.com/go/restricted\\_fonts](http://www.adobe.com/go/restricted_fonts) are included with the Software only for purposes of operation of the Software user interface and not for inclusion within any Output Files. Such listed fonts are not licensed under Sections 16.4.1 through 16.4.5 above. You agree that you will not copy, move, activate, or use, or allow any font management tool to copy, move, activate, or use such listed fonts in or with any software application, program, or file other than the Software.

## 16.5 Online Services.

16.5.1 **Provided by Adobe.** The Software facilitates your access to content and various services that are hosted on Web Sites maintained by Adobe or its affiliates ("Adobe Online Services"). Examples of such Adobe Online Services might include, but are not limited to: Adobe BrowserLab, Adobe InContext Editing, Adobe CS Review, Resource Central, kuler, Acrobat.com, Search for Help, Adobe Device Central, and product Welcome Screens. In some cases, an Adobe Online Service might appear as a feature or extension within the Software even though it is hosted on a Web Site. In some cases, access to an Adobe Online Service might require a separate subscription or other fee in order to access it and/or your assent to additional terms of use. Adobe Online Services might not be available in all languages or to residents of all countries and Adobe may, at any time and for any reason, modify or discontinue the availability of any Adobe Online Service. Adobe also reserves the right to begin charging a fee for access to or use of an Adobe Online Service that was previously offered at no charge. Because Adobe Online Services make use of automatic Internet connections, please also see Section 14 for important information regarding Internet connectivity and your privacy. As stated in Section 14, when the Software accesses an Adobe Online Service, your

use of such Adobe Online Service is governed by the Adobe Privacy Policy (<http://www.adobe.com/go/privacy>), by the Adobe.com Terms of Use (<http://www.adobe.com/go/terms>), and by any Additional Terms of Use that might be presented to you at that time.

**16.5.2 Provided by Third Parties.** The Software may facilitate your access to Web Sites maintained by third parties offering goods, information, software, and services ("Third Party Online Service(s)"). Examples of such Third Party Online Services might include, but are not limited to, the Kodak Easy Share Gallery service. Your access to and use of any Third Party Online Services is governed by the terms, conditions, disclaimers, and notices found on such site or otherwise associated with such Third Party Online Services. Adobe may at any time, for any reason, modify or discontinue the availability of any Third Party Online Services. Adobe does not control, endorse or accept responsibility for Third Party Online Services. Any dealings between you and any third party in connection with a Third Party Online Service, including such party's privacy policies and use of your personal information, delivery of and payment for goods and services, and any other terms, conditions, warranties, or representations associated with such dealings, are solely between you and such third party. Third Party Online Services might not be available in all languages or to residents of all countries and Adobe may, at any time and for any reason, modify or discontinue the availability of any Third Party Online Service.

**16.5.3 EXCEPT AS EXPRESSLY AGREED BY ADOBE OR ITS AFFILIATES OR A THIRD PARTY IN A SEPARATE AGREEMENT, YOUR USE OF ADOBE AND THIRD PARTY ONLINE SERVICES IS AT YOUR OWN RISK UNDER THE WARRANTY DISCLAIMER AND LIABILITY LIMITATIONS OF SECTIONS 7 AND 8.**

**16.6 After Effects Render Engine.** If the Software includes the full version of Adobe After Effects, then you may install an unlimited number of Render Engines on Computers within your Internal Network that includes at least one Computer on which the full version of the Adobe After Effects software is installed. The term "Render Engine" means an installable portion of the Software that allows After Effects projects to be rendered but cannot be used to create or modify projects and does not include the complete After Effects user interface.

#### **16.7 Digital Certificates.**

**16.7.1 Use.** Digital certificates are issued by third party certificate authorities, including Adobe Certified Document Services (CDS) vendors listed at [http://www.adobe.com/go/partners\\_cds](http://www.adobe.com/go/partners_cds) ("Certificate Authorities"), or can be self-signed.

**16.7.2 Terms and Conditions.** Purchase, use and reliance upon digital certificates is the responsibility of you and a Certificate Authority. Before you rely upon any certified document, digital signature or Certificate Authority services, you should review the applicable terms and conditions under which the relevant Certificate Authority provides services, including, for example, any subscriber agreements, relying party agreements, certificate policies, and practice statements. See the links on [http://www.adobe.com/go/partners\\_cds](http://www.adobe.com/go/partners_cds) for information about Adobe's CDS vendors.

**16.7.3 Acknowledgement.** You agree that (a) a digital certificate may have been revoked prior to the time of verification, making the digital signature or certificate appear valid when in fact it is not, (b) the security or integrity of a digital certificate may be compromised due to an act or omission by the signer of the document, the applicable Certificate Authority, or any other third party, and (c) a certificate may be a self-signed certificate not provided by a Certificate Authority. YOU ARE SOLELY RESPONSIBLE FOR DECIDING WHETHER OR NOT TO RELY ON A CERTIFICATE. UNLESS A SEPARATE WRITTEN WARRANTY IS PROVIDED TO YOU BY A CERTIFICATE AUTHORITY, YOU USE DIGITAL CERTIFICATES AT YOUR SOLE RISK.

16.7.4 **Third Party Beneficiaries.** You agree that any Certificate Authority you rely upon is a third-party beneficiary of this agreement and shall have the right to enforce this agreement in its own name as if it were Adobe.

16.7.5 **Indemnity.** You agree to hold Adobe and any applicable Certificate Authority (except as expressly provided in its terms and conditions) harmless from any and all liabilities, losses, actions, damages, or claims (including all reasonable expenses, costs, and attorney's fees) arising out of or relating to any use of, or reliance on, any service of such authority, including, without limitation (a) reliance on an expired or revoked certificate, (b) improper verification of a certificate, use of a certificate other than as permitted by any applicable terms and conditions, this agreement or applicable law; failure to exercise reasonable judgment under the circumstances in relying on issuer services or certificates, or failure to perform any of the obligations as required in the terms and conditions related to the services.
