solely in connection with Customer's use of the On-demand Services or Managed Services, as applicable, for its internal operations.

Nothing in this Agreement grants Customer any express or implied licence to use, distribute, modify, copy, link, or translate the Distributed Code, other than for Customer's lawful use of the On-demand Services or Managed Services, as applicable.

Except as permitted under this Agreement, Customer must not:

- (A) copy, use, reproduce, distribute, republish, download, display, post or transmit the On-demand Services, Managed Services, Distributed Code or Reports;

Customer must take steps to prevent unauthorized access to its login IDs and passwords, and must not allow the use of the same login ID simultaneously by two or more On-demand Users or Managed Services Users.

2.4 Licence Grant from Customer

- (A) During the Licence Term, Customer grants Adobe and its Affiliates a non-exclusive, worldwide, royalty-free licence to use, copy, transmit, sub-license, index, store, and display Customer Data and Customer Content, solely to the extent necessary to provide the On-demand Services or Managed Services, as applicable, and Reports to Customer and enforce its rights under this Agreement.

3. OWNERSHIP

Customer owns the Customer Data and Customer Content, subject to Adobe's underlying intellectual property in the Adobe Technology. Adobe owns the Adobe Technology.

4. EFFECT OF TERMINATION OR EXPIRY

- 4.1 Upon termination or expiry of this Agreement or any Licence Term for On-demand Services or Managed Services:
- (A) the licence and associated rights for On-demand Services or Managed Services, as applicable, granted to Customer under this Agreement will immediately terminate;

 - (C) Customer Data and Customer Content stored within the On-demand Services will be available to Customer for 30 days after the termination or expiry in the same format then available within the reporting interface(s).
- 4.2 Any continued use of the Distributed Code, On-demand Services or Managed Services after termination or expiry of this Agreement constitutes a breach of this Agreement, and Customer will be liable for any fees for any On-demand Services or Managed Services that remain active after the termination or expiry. These fees will be invoiced to Customer at the rate set out in the Sales Order.
- 4.3 With respect to Managed Services, notwithstanding anything in the General Terms, if Adobe determines, in its sole judgment, that Customer's deployment of the Managed Services contains a material risk to the security of Adobe, any customer of Adobe, or to the continued normal operation of other Adobe customers, then Adobe may at any time, upon written notice to Customer, immediately terminate or suspend Customer's access, in whole or in part, to the Managed Services, until such risk is resolved. Adobe will use commercially reasonable efforts to mitigate any such security or operational risk prior to suspension or termination and only will look to such efforts as a final option to avoid such risks. Further, Adobe may terminate or suspend Customer's access, in whole or in part, to the Managed Services, if Adobe deems, in its sole judgement, that such termination or suspension is necessary to protect Adobe, its suppliers, and its other customers from impact or liability under the security or operational risks discussed in this Exhibit for On-demand Services and Managed Services.

5. PRIVACY

- 5.1 **Compliance with Laws.** Customer is responsible for complying with (including giving any notifications, obtaining any consents, and making any disclosures required under) applicable privacy and data protection laws, regulations, rules, guidelines, and codes. Customer must ensure it does not directly or indirectly cause Adobe or third-party providers that operate servers or host data for the On-demand Services or Managed Services, as applicable, to breach any laws, regulations, rules, guidelines, and codes in the collection, storage, access, transfer, use or disclosure of Personal Data arising from or in connection with this Agreement.
- 5.2 **Sensitive Personal Data.** Customer must not use the On-demand Services or Managed Services, as applicable, to collect, process, or store any Sensitive Personal Data of its employees, customers, partners, site visitors, or any third party. Customer must not under any circumstances transmit, disclose or make available Sensitive Personal Data to Adobe or third-party providers.
- 5.3 **Customer's Users.** Adobe does not communicate with Customer's users directly. Where required under applicable privacy and data protection laws, regulations, rules, guidelines, or codes, Customer must ensure that:
- (A) each Customer Site contains a notice to its users that identifies the collection, use, disclosure, and transfer of their Personal Data by Customer, Adobe, or third party host providers in connection with the On-demand Services or Managed Services, as applicable; and
 - (B) Customer, when disclosing or transferring Personal Data from any source (including Customer Sites) to Adobe or third party host providers, complies with the requirements for such disclosure or transfer.

6. CLAIMS

- 6.1 Customer must defend any Claims brought by any person against Adobe, its Affiliates (and directors, employees, or agents of Adobe or its Affiliates), and third-party providers (“**Indemnified Parties**”), which arise in connection with (A) Customer’s breach of any of its privacy or content monitoring obligations; (B) any violation of Customer’s privacy policy, any third party’s rights of privacy, or any privacy or data protection laws, guidelines, regulations, codes, or rules; (C) any Customer Data or Customer Content; (D) for Managed Services, any Customer Customizations. Customer will, in each case, indemnify the Indemnified Parties against their Losses arising out of or in connection with the foregoing (A), (B), (C) or (D) in this clause, whether or not incurred by reason of a Claim. The Limitation of Liability provision in the General Terms does not apply to Customer’s liability or obligations under this clause.
- 6.2 Customer will have no liability for any Claim under clause 6.1 of this Exhibit for On-demand Services and Managed Services if Adobe fails to:
- (A) notify Customer in writing of the Claim promptly upon the earlier of learning of or receiving a notice of it, to the extent that Customer is prejudiced by this failure;
 - (B) provide Customer with reasonable assistance requested by Customer for the defence or settlement (as applicable) of the Claim;
 - (C) provide Customer with the exclusive right to control and the authority to settle the Claim (Adobe may participate in the matter at Adobe’s own expense); or
 - (D) refrain from making admissions about the Claim without Customer’s prior written consent.

7. CONTENT MONITORING

Customer must implement a process through which infringing, abusive, or otherwise unlawful content can be reported to Customer and removed in accordance with applicable laws, regulations, rules, guidelines, codes, and industry best practices. If Customer Content is hosted by Adobe, and Customer becomes aware of a possible violation regarding any Customer Content that is uploaded to the On-demand Services or Managed Services, as applicable, Customer must promptly notify Adobe. Customer acknowledges that although the On-demand Services and Managed Services may be used to modify or edit Customer Content to be posted or integrated into Customer Sites on Customer’s behalf, Customer: (A) retains complete control over each Customer Site, and all Customer Content; and (B) remains fully responsible for ensuring that all Customer Sites used with the On-demand Services and Managed Services, and all Customer Content: (1) fully comply with all applicable laws, regulations, rules, guidelines, and codes; and (2) do not infringe any person’s rights. Customer acknowledges and agrees that nothing in this clause prevents Adobe from suspending services to comply with an applicable court order.

8. LIMITED WARRANTY; REMEDIES

- 8.1 **Warranty.** Adobe warrants that the On-demand Services or Managed Services, as applicable, as delivered to Customer will substantially conform to the applicable Documentation during the Licence Term, to the extent the On-demand Services or Managed Services constitute Indemnified Technology. Customer must notify Adobe of a claim under this warranty within 30 days of the date on which the condition giving rise to the claim first appeared.
- 8.2 **Sole and Exclusive Remedies.** To the extent permitted by law, Customer’s sole and exclusive remedy and Adobe’s sole liability arising out of or in connection with a breach of the warranty in clause 8.1 (Warranty) of this Exhibit is limited to: (A) a replacement of the Distributed Code (as applicable); or (B) if replacement is not commercially reasonable, a termination of the applicable On-demand Service or Managed Service and a refund of any pre-paid unused fees for the applicable On-demand Service or Managed Service.
- 8.3 **Australian Consumer Law.** If Customer is an Australian consumer, Adobe’s goods come with guarantees that cannot be excluded under the Australian consumer law. Customer is entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. Customer is also entitled to have the goods repaired or replaced if the goods fail to be of acceptable

quality and the failure does not amount to a major failure. To make a warranty claim under clause 8.1 (Warranty) of this Exhibit, Customer must call the Adobe Customer Support Department at 1800 614 863.

9. DATA RETENTION

With respect to On-demand Services, Customer Data may be permanently deleted from Adobe's servers 25 months from the date of its collection or receipt.
