

PSLT - Adobe Primetime Concurrency Monitoring (2016v1)

1. **On-demand Service Customers.** If Customer is a programmer or content provider, Customer may be exposed to the concurrent Stream count of other customers of the On-demand Service also integrated with the same multi-channel video programming distributor; Customer may not alter or destroy any information of another customer of Adobe by a malicious means or device, or attempt to do so.
2. **Use.** Customer may not use the On-demand Service to damage, disable, overburden, or impair any Adobe server or network(s) connected to any Adobe server, or interfere with any other party's reasonable use of the On-demand Service.
3. **Additional Privacy Terms.**
 - 3.1 **Notice.** Customer is responsible for ensuring that the Branded Site provides sufficient notice to the Content User to identify the collection and use of information in connection with this On-demand Service as may be required by law.
 - 3.2 **No Personal Data.** Customer must ensure that no Personal Data is passed or made available to Adobe in connection with this On-demand Service.
