1. Definitions.

License shall mean the terms and conditions for use, reproduction, and distribution as defined by Sections 1 through 9 of this document.

Licensor shall mean the copyright owner or entity authorized by the copyright owner that is granting the License.

Legal Entity shall mean the union of the acting entity and all other entities that control, are controlled by, or are under common control with that entity. For the purposes of this definition, control means (i) the power, direct or indirect, to cause the direction or management of such entity, whether by contract or otherwise, or (ii) ownership of fifty percent (50%) or more of the outstanding shares, or (iii) beneficial ownership of such entity.

You (or Your) shall mean an individual or Legal Entity exercising permissions granted by this License.

Source form shall mean the preferred form for making modifications, including but not limited to software source code, documentation source, and configuration files.

Object form shall mean any form resulting from mechanical transformation or translation of a Source form, including but not limited to compiled object code, generated documentation, and conversions to other media types.

Work shall mean the work of authorship, whether in Source or Object form, made available under the License, as indicated by a copyright notice that is included in or attached to the work (an example is provided in the Appendix below).

Derivative Works shall mean any work, whether in Source or Object form, that is based on (or derived from) the Work and for which the editorial revisions, annotations, elaborations, or other modifications represent, as a whole, an original work of authorship. For the purposes of this License, Derivative Works shall not include works that remain separable from, or merely link (or bind by name) to the interfaces of, the Work and Derivative Works thereof.

Contribution shall mean any work of authorship, including the original version of the Work and any modifications or additions to that Work or Derivative Works thereof, that is intentionally submitted to Licensor for inclusion in the Work by the copyright owner or by an individual or Legal Entity authorized to submit on behalf of the copyright owner. For the purposes of this definition, 'submitted' means any form of electronic, verbal, or written communication sent to the Licensor or its representatives, including but not limited to communication on electronic mailing lists, source code control systems, and issue tracking systems that are managed by, or on behalf of, the Licensor for the purpose of discussing and improving the Work, but excluding communication that is conspicuously marked or otherwise designated in writing by the copyright owner as Not a Contribution.

Contributor shall mean Licensor and any individual or Legal Entity on behalf of whom a Contribution has been received by Licensor and subsequently incorporated within the Work.

2. Grant of Copyright License. Subject to the terms and conditions of this License, each Contributor hereby grants to You a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable copyright license to reproduce, prepare Derivative Works of, publicly display,

publicly perform, sublicense, and distribute the Work and such Derivative Works in Source or Object form.

3. Grant of Patent License. Subject to the terms and conditions of this License, each Contributor hereby grants to You a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable patent license to make, have made, use, offer to sell, sell, import, and otherwise transfer the Work, where such license applies only to those patent claims licensable by such Contributor that are necessarily infringed by their Contribution(s) alone or by combination of their Contribution(s) with the Work to which such Contribution(s) was submitted. If You institute patent litigation against any entity (including a cross-claim or counterclaim in a lawsuit) alleging that the Work or a Contribution incorporated within the Work constitutes direct or contributory patent infringement, then any patent licenses granted to You under this License for that Work shall terminate as of the date such litigation is filed.

4. Redistribution. You may reproduce and distribute copies of the Work or Derivative Works thereof in any medium, with or without modifications, and in Source or Object form, provided that You meet the following conditions:

You must give any other recipients of the Work or Derivative Works a copy of this License; and You must cause any modified files to carry prominent notices stating that You changed the files; and You must retain, in the Source form of any Derivative Works that You distribute, all copyright, patent, trademark, and attribution notices from the Source form of the Work, excluding those notices that do not pertain to any part of the Derivative Works; and If the Work includes a 'NOTICE' text file as part of its distribution, then any Derivative Works that You distribute must include a readable copy of the attribution notices contained within such NOTICE file, excluding those notices that do not pertain to any part of the Derivative Works, in at least one of the following places: within a NOTICE text file distributed as part of the Derivative Works; within the Source form or documentation, if provided along with the Derivative Works; or, within a display generated by the Derivative Works, if and wherever such third-party notices normally appear. The contents of the NOTICE file are for informational purposes only and do not modify the License. You may add Your own attribution notices within Derivative Works that You distribute, alongside or as an addendum to the NOTICE text from the Work, provided that such additional attribution notices cannot be construed as modifying the License. You may add Your own copyright statement to Your modifications and may provide additional or different license terms and conditions for use, reproduction, or distribution of Your modifications, or for any such Derivative Works as a whole, provided Your use, reproduction, and distribution of the Work otherwise complies with the conditions stated in this License.

5. Submission of Contributions. Unless You explicitly state otherwise, any Contribution intentionally submitted for inclusion in the Work by You to the Licensor shall be under the terms and conditions of this License, without any additional terms or conditions. Notwithstanding the above, nothing herein shall supersede or modify the terms of any separate license agreement you may have executed with Licensor regarding such Contributions.

6. Trademarks. This License does not grant permission to use the trade names, trademarks, service marks, or product names of the Licensor, except as required for reasonable and customary use in describing the origin of the Work and reproducing the content of the NOTICE file.

7. Disclaimer of Warranty. Unless required by applicable law or agreed to in writing, Licensor provides the Work (and each Contributor provides its Contributions) on an AS IS BASIS, WITHOUT WARRANTIES OR CONDITIONS OF ANY KIND, either express or implied, including, without limitation, any warranties or conditions of TITLE, NON-INFRINGEMENT, MERCHANTABILITY, or FITNESS FOR A PARTICULAR PURPOSE. You are solely responsible for determining the appropriateness of using or redistributing the Work and assume any risks associated with Your exercise of permissions under this License.

8. Limitation of Liability. In no event and under no legal theory, whether in tort (including negligence), contract, or otherwise, unless required by applicable law (such as deliberate and grossly negligent acts) or agreed to in writing, shall any Contributor be liable to You for damages, including any direct, indirect, special, incidental, or consequential damages of any character arising as a result of this License or out of the use or inability to use the Work (including but not limited to damages for loss of goodwill, work stoppage, computer failure or malfunction, or any and all other commercial damages or losses), even if such Contributor has been advised of the possibility of such damages.

9. Accepting Warranty or Additional Liability. While redistributing the Work or Derivative Works thereof, You may choose to offer, and charge a fee for, acceptance of support, warranty, indemnity, or other liability obligations and/or rights consistent with this License. However, in accepting such obligations, You may act only on Your own behalf and on Your sole responsibility, not on behalf of any other Contributor, and only if You agree to indemnify, defend, and hold each Contributor harmless for any liability incurred by, or claims asserted against, such Contributor by reason of your accepting any such warranty or additional liability.

:

ROOT CERTIFICATE LICENSE AGREEMENT SYMANTEC CORPORATION AND/OR ITS AFFILIATES (“SYMANTEC”) IS WILLING TO PROVIDE THE ROOT CERTIFICATES TO YOU AS THE INDIVIDUAL, THE COMPANY, OR THE LEGAL ENTITY THAT WILL BE UTILIZING THE ROOT CERTIFICATES (REFERENCED BELOW AS “YOU” OR “YOUR”) ONLY ON THE CONDITION THAT YOU ACCEPT ALL OF THE TERMS OF THIS AGREEMENT (“AGREEMENT”). READ THE TERMS AND CONDITIONS OF THIS AGREEMENT CAREFULLY BEFORE USING THE ROOT CERTIFICATES. THIS IS A LEGAL AND ENFORCEABLE CONTRACT BETWEEN YOU AND SYMANTEC. BY USING THE ROOT CERTIFICATES, YOU AGREE TO THE TERMS AND CONDITIONS OF THIS AGREEMENT. IF YOU DO NOT AGREE TO THESE TERMS AND CONDITIONS, MAKE NO FURTHER USE OF THE ROOT CERTIFICATES. UNLESS OTHERWISE DEFINED HEREIN, CAPITALIZED TERMS WILL HAVE THE MEANING GIVEN IN THE “DEFINITIONS” SECTION OF THIS AGREEMENT AND SUCH CAPITALIZED TERMS MAY BE USED IN THE SINGULAR OR IN THE PLURAL, AS THE CONTEXT REQUIRES.

If You require a counter-signed copy of this Agreement, sign the Agreement and send it via email to dl-tss-root@symantec.com. You may make use of the Root Certificates prior to Your receipt of a fully signed copy of this Agreement.

ROOT CERTIFICATE TERMS AND CONDITIONS

'Certificate' means an electronic file that, at least, states a name or identifies the issuing Certificate Authority, identifies the subscriber, contains the subscriber's public key, identifies the Certificate's operational period, contains a Certificate serial number, and contains a digital signature of the issuing Certificate Authority. “Certificate Authority” or “CA” means a person or entity authorized to issue, suspend, or revoke Certificates. “Intermediate CA” means a CA Certificate signed by a Root Certificate Intermediate that issues Certificates either to entities or other Certificate Authorities, but not to both. 'Products' means all versions of Your product or service with which the Root Certificates are incorporated (including successor products and services or any major or minor upgrades thereto). 'Root Certificate' means a self-signed Certificate issued by a top-level Certificate Authority to itself, which includes such Certificate Authority's public key. The Root Certificates and Root Certificate files to be provided by Company to Customer pursuant to this Agreement are available for download at <https://www.verisign.com/support/roots.html>, <https://www.thawte.com/roots/index.html> or <https://www.geotrust.com/resources/rootcertificates/index.html>.

2. LICENSE. During the term of this Agreement, Symantec grants You a royalty-free, non-exclusive, non-transferable license to (a) use the Root Certificate for the purposes of testing (without the right to modify); (b) make copies of Root Certificates only in order to embed and incorporate them, unmodified and in full, as roots in Your Products; (c) distribute the Root Certificates as embedded and incorporated in such Products; and (d) use the relevant logos and trademarks of Symantec in Your marketing materials, advertisements, product data sheets, product packaging and websites solely in conjunction with the distribution of the Root Certificates in accordance with Symantec's published guidelines for such usage. You shall not have the right to further distribute the Root Certificates other than as described herein without an additional license grant, in a separate writing, from Symantec.

3. RESTRICTIONS. You may not: (a) modify or create any derivative works of Root Certificates; (b) assign, sublicense, sell, rent, or lease Symantec's root keys or Root Certificates; (c) use such Root Certificates except as expressly permitted under this Agreement; (d) remove or

alter any trademark, logo, copyright, or other proprietary notices, legends, symbols, or labels provided in the Root Certificates; or (e) certify, or cause a third party to certify, the public key contained in the Root Certificates by issuing or creating a Certificate containing such public key.

4. CUSTOMER'S OBLIGATIONS.

4.1. During the term of this Agreement, You shall use commercially reasonable efforts regularly check the applicable Symantec URL for updates to the Root Certificates and update Root Certificates embedded into Your Products with the most currently available Root Certificates, unmodified and in full, or as a patch or update. If Symantec updates its Root Certificates, You shall use commercially reasonable efforts to (i) discontinue all copying and use of the Root Certificates which have been replaced, and (ii) to use Symantec's then-current Root Certificates. Any updates to the Root Certificates are incorporated into and subject to the terms of this Agreement.

4.2. You shall appoint at least one (1) individual as the administrative contact designated to address any Root Certificate issues and shall provide the contact information for such individual to dl-tss-root@symantec.com.

4.3 In the event You become aware of or suspect any event that diminishes the integrity of Symantec's data or public key system ('Compromise'), You shall immediately notify Symantec at dl-tss-root@symantec.com of such Compromise, and take reasonable steps to assist and cooperate with Symantec to remedy the Compromise.

4.4 In the event that Symantec modifies these terms of use for the Root certificates for all end users, Symantec shall post the modified terms for the Agreement on the applicable URL and may post the modified terms on the Symantec corporate website. You shall be responsible for regularly checking the applicable URL for modifications to this Agreement. Such modifications shall be effective and binding on Customer within thirty (30) days of Symantec's posting such modifications to its website. If you do not accept the modified Agreement, discontinue use of the Root Certificates and this Agreement will be deemed as terminated.

5. CONFIDENTIALITY.

5.1. Confidential Information. 'Confidential Information' means the root private keys corresponding to the public key in a Root Certificate, and any confidential, trade secret, or other proprietary information disclosed by a party to the other party under this Agreement, except for Information that: (i) is public knowledge at the time of disclosure, (ii) was known by the receiving party before disclosure by the disclosing party, or becomes public knowledge or otherwise known to the receiving party after such disclosure, other than by breach of a confidentiality obligation, or (iii) is independently developed by the receiving party by persons without access to Confidential Information of the disclosing party.

5.2. Protection of Confidential Information. The receiving party shall: (i) not disclose the Confidential information to any third party, (ii) not use the Confidential Information except for purposes of performing this Agreement, and (iii) take steps consistent with its protection of its own confidential and proprietary information (but in no event exercise less than reasonable care) to prevent unauthorized disclosure of the Confidential Information. Each

party acknowledges that breach of this Section 5 may cause irreparable harm to the disclosing party entitling the disclosing party to injunctive relief, among other remedies.

5.3. Mutual Cooperation. Each party will notify and cooperate with the other party in enforcing the disclosing party's rights if such party becomes aware of a threatened or actual violation of the confidentiality requirements of this Section 5. Each party shall have confidentiality agreements with its employees, agents or independent contractors sufficient in scope to fulfill its confidentiality obligations under this Agreement.

6. INTELLECTUAL PROPERTY. You acknowledge that Symantec, including its wholly owned subsidiaries, retains all intellectual property rights and title (including any patent, copyright, trademark, trade secret, and other rights) in and to the Root Certificates, the public and private keys corresponding to such Root Certificates ('Symantec Intellectual Property'). This Agreement does not give You any intellectual property rights in the Symantec intellectual property except for the license granted in Section 2. To the extent You use Symantec's trademarks or logos as permitted herein, You agree to comply with all usage requirements set forth in the then current version of Symantec's Logo and Trademark Usage Guide (<http://www.symantec.com/about/profile/policies/trademarks.jsp>) and any other guides and procedures of Symantec.

7. NO WARRANTIES. THE ROOT CERTIFICATES, INCLUDING UPDATES, ARE PROVIDED 'AS IS' WITHOUT ANY WARRANTY WHATSOEVER. SYMANTEC HEREBY DISCLAIMS ALL WARRANTIES, WHETHER EXPRESS, IMPLIED, OR STATUTORY, INCLUDING WITHOUT LIMITATION, ANY IMPLIED WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR NONINFRINGEMENT OF THIRD PARTY RIGHTS.

8. LIMITATION OF LIABILITY. UNDER NO CIRCUMSTANCES AND UNDER NO LEGAL THEORY WILL SYMANTEC OR ITS LICENSORS BE LIABLE TO YOU OR ANY THIRD PARTY FOR ANY CONSEQUENTIAL, INDIRECT, SPECIAL, INCIDENTAL, OR EXEMPLARY DAMAGES, WHETHER FORESEEABLE OR UNFORESEEABLE, EVEN IF SUCH PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. YOU WILL TAKE REASONABLE MEASURES TO INSURE THAT THE TERMS AND CONDITIONS SET FORTH IN THE PRECEDING SENTENCE OF THIS SECTION 8 ARE INCORPORATED INTO ANY AGREEMENT BETWEEN YOU AND YOUR CUSTOMERS OR LICENSEES. SYMANTEC SHALL NOT BE LIABLE TO YOU OR ANY THIRD PARTY FOR ANY DAMAGES CAUSED BY YOUR OR A THIRD PARTY'S CONTINUED USE OF ANY OUTDATED ROOTS FOR WHICH AN UPDATED VERSION IS MADE AVAILABLE BY SYMANTEC. FURTHER, UNDER NO CIRCUMSTANCES WILL SYMANTEC'S LIABILITY FOR ANY ACTION OR CLAIM EXCEED USD\$1,000, REGARDLESS OF WHETHER SUCH ACTION OR CLAIM IS BASED IN CONTRACT, TORT, STRICT LIABILITY, OR OTHERWISE.

9.2. Termination for Default/Insolvency. Either party shall be entitled to terminate this Agreement in the event of a failure by the other party to perform any of its material obligations under this Agreement if such breach is not cured within thirty (30) days after receipt of written notice thereof from the non-defaulting party or within forty-eight (48)

hours after receipt of such written notice if a breach by You may compromise the security of the Symantec Trust Network or other system. This Agreement shall terminate upon the election of and notice from a party to the other if the other party is adjudged insolvent or bankrupt, or the institution of any proceedings by or against the other party seeking relief, reorganization, or arrangement under any laws relating to insolvency, or any assignment for the benefit of creditors, or the appointment of a receiver, liquidator, or trustee of any of the other party's property or assets, or the liquidation, dissolution, or winding up of the other party's business.

9.3. Effect of Expiration or Termination. Upon expiration or termination of this Agreement, except for a breach by You, You may continue to distribute the current version of Your Products which incorporate the Root Certificates. The failure of a party, at any time or from time to time, to require performance of any obligations of the other party hereunder shall not be deemed a waiver and shall not affect its right to enforce any provision of this Agreement at a subsequent time.

10.4. Entire Agreement; Amendments; Waivers. This Agreement constitutes the entire understanding and agreement of the parties, whether written or oral, with respect to the subject matter hereof and supersede all prior and contemporaneous agreements or understandings between the parties. This formulation of W3C's notice and license became active on December 31, 2002. This version removes the copyright ownership notice such that this license can be used with materials other than those owned by the W3C, reflects that ERCIM is now a host of the W3C, includes references to this specific dated version of the license, and removes the ambiguous grant of 'use'. Otherwise, this version is the same as the previous version and is written so as

to preserve the Free Software Foundation's assessment of GPL compatibility and OSI's certification under the Open Source Definition.
