Step 4: At the Examity Dashboard page, click "Make appointment"

Note: If this is your first time taking an exam with Examity, you will need to complete your profile. Click on "My Profile" link and follow the instructions on screen. Please fill out the correct time zone while filling out Profile information. Your exam schedule will follow that time zone. Once done, click on "Schedule Exam" tab.

Step 5: At the Schedule Exam page, confirm you have the correct exam and chose a date, time and click "Schedule."

Your time zone was set when you updated your profile, it is displayed in the top right corner of the website.

Note: If you are scheduling your exam within 24 hours, please confirm on-demand scheduling is switch to "on." There is a $5.00 fee that will be charged for each test scheduled within 24 hours.

Step 6: At the payment screen, enter your voucher code, hit "Apply" and click "Next"

To exit, close your browser. Check your email for confirmation and receipt of your appointment.

Rules and Requirements of Taking an Online Proctored Exam
Please note that failing to meet the rules and requirements of the online proctored exam may lead to termination of the exam. We will not be able to process a refund in case of termination of the exam. (Exception: The Adobe ColdFusion certification exam is open book. Therefore, you may have online/offline study materials, notes, papers and pen with you. You may also open the Adobe ColdFusion application in the same monitor. Dual monitors are not allowed).
