Acrobat & Sign Days: Acrobat Sign in Microsoft 365

JONAS TUSAR | Customer Success Manager, Adobe Acrobat Sign

Überblick Adobe Acrobat Sign

Adobe Acrobat Sign ermöglicht ...

... rechtsverbindliche und sichere Signaturen, die Compliance Richtlinien entsprechen.

... fehlerfreie Workflows für jeden Anwender zugänglich.

... die Integration in bestehende Geschäftsabläufe.

...größtmögliche Flexibilität durch Mobilität.

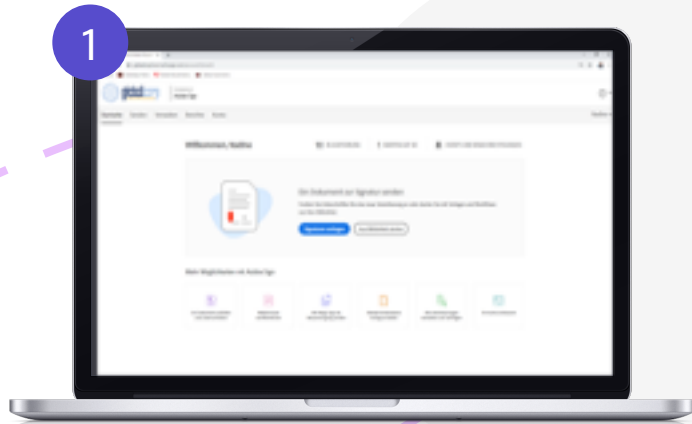

...Self-Service Formulare zur Einbindung in Webseiten oder das Intranet.

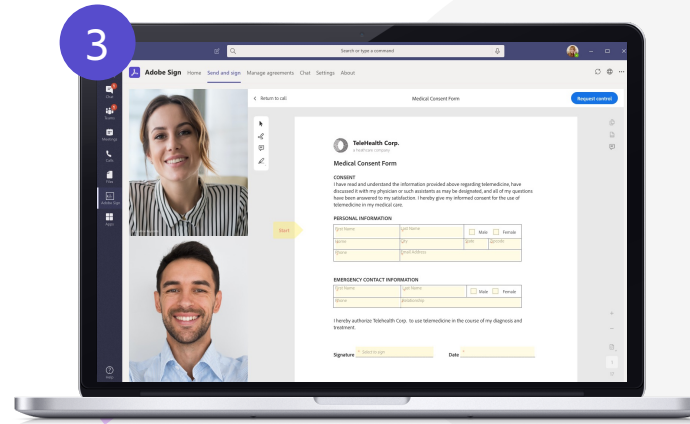

... die lückenlose Verwaltung von Unterschriftenprozessen.

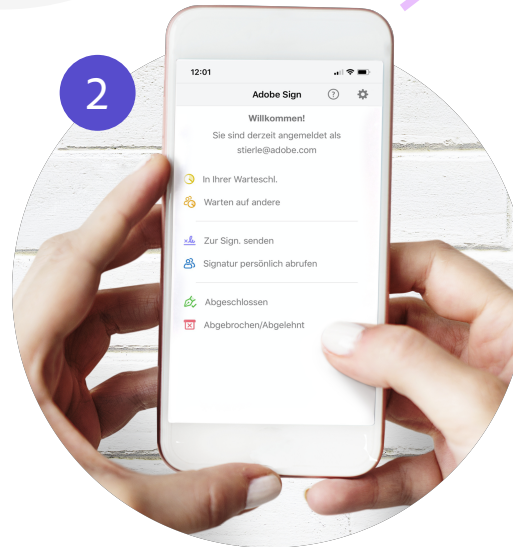

Unterschiedliche Optionen für die Nutzung von Adobe Acrobat Sign

LIABILITY RELEASE & NON-DISCLOSURE FORM

You are entering a Contoso facility that is a restricted area. By signing below, you are agreeing to the following terms:

I authorize Contoso and/or its subsidiaries, partnerships, limited partners, general partners, (collectively referred to throughout this document as "Contoso") to photograph, videotape, audiotape or interview me, and I authorize Contoso unrestricted rights to these content.

IN CONSIDERATION OF the risk of injury while on premises, I HEREBY, for myself, knowingly and voluntarily enter into this WAIVER AND RELEASE OF LIABILITY and hereby waive any and all rights, claims or causes of action of any kind arising out of my proximity to large dangerous equipment.

For purposes of this Agreement, "Confidential Information" means any data or information that is proprietary to the Disclosing Party and not generally known to the public, whether in tangible or intangible form, in whatever medium provided, whether unmodified or modified by Receiving Party or its Representatives (as defined herein), whenever and however disclosed, including, but not limited to: (i) any marketing strategies, plans, financial information, or projections, operations, sales estimates, business plans and performance results relating to the past, present or future business activities of such party, its affiliates, subsidiaries and affiliated companies; (ii) plans for products or services, and customer or supplier lists; (iii) any scientific or technical information, invention, design, process, procedure, formula, improvement, technology or method; (iv) any concepts, reports,
