

RESTAURANT PDF KIT

Create while you prepare a plate. With this free PDF kit, you'll get checklists, and an editable menu, a flyer, and business card to market your good eats. If you don't have Adobe Acrobat Pro DC already, get the [free 7-day trial](#).

Restaurant New Hire Checklist

- Set your new hire up for success with a checklist to give them the best onboarding experience. Check off the list or add additional notes using the Fill & Sign tool.
- Customize with your own creative flair and easily change the text using the Edit PDF tool.

Manager Opening/Closing Checklists

- Maintain consistency by opening and closing with a routine checklist for daily duties. Managers can check off their tasks and make comments on the day's progress using the Fill & Sign tool.
- Personalize the specific tasks based on your business' opening and closing needs using the Edit PDF tool.

Business Card

- Promote your restaurant with custom business cards to bring awareness to potential customers and job candidates. Use the Edit PDF tool to make quick changes and keep your business contact information handy.

Flyer

- Market your restaurant with editable and creative flyers to grow your business. Personalize so customers know hours of operation, location, and contact information using the Edit PDF tool.

Menu

- Add a bit of flavor to your business with a customizable menu that lists your house staples and seasonal specials. Make quick changes to include your signature dishes, daily specials, or chef's recommendations with the Edit PDF tool.
